I guess you've heard the scoop;
 We'll soon be a senior group;
 As juniors we've been ecstatic,
 But nothing is in our attic,
 So back to school we'll troop.

A tribute to our advisers we pay,
 On this our parting day;
 To Mr. Kitzmiller,
 The spirit instiller,
 And to Mrs. Stone we give an A.

It was Dean W. that got the vote
 To pilot the Junior boat;
 As his first mate
 Tom S. was first rate
 Together they kept us afloat.

Emilie balanced the book;
 Her toils we'll not overlook.
 And no clerk of Council
 Did so well until
 Miss Buddie kept the minute-book.

Though it caused tribulation,
 And trouble to the nation,
 We changed our rings
 From those old-fashioned things,
 To work of beautification.

At sports we did excel;
 Defeat our opponents befell;
 At cheering, too,
 Our class came through;
 Dee, Sy, and Shirley did yell.

Our enterprises were a success;
 Everyone sprouted eagerness.
 We were right on the beam,
 And worked as a team;
 Our spirit was bottomless.

The folks who had the wit,
 And had the courage to write it,
 Who else could it be,
 But Sandy and Kenny?
 Over KSSM did they transmit.

One last thought to be spoken
 As sort of a little token,
 To him who is known
 In a world of his own;
 Mr. Hutzen, and his test tubes broken.

The school we soon leave,
 But we'll return; don't grieve.
 We'll open the door
 To fifty-four;
 As seniors I do believe.

As we look back through our Sophomore year, we discover that it was a year of memories, fun, and friendship. It was also a year of work along with success.

We find that the class officers we elected at the beginning of the year were very well chosen. They were:

President	Jim Justice
Vice President	Lynne Stillson
Secretary-Treasurer	Claude Dilanni
Student Council Members	Carol Yanko, John Gutknecht

Twelve Sophomores were on the football team with Center Bill Roof receiving his varsity letter. On the reserve basketball team we saw varsity action also.

Four of the sophomore girls were chosen to play on the G. A. A. All-Star teams. They were Caroline Rodder, Margaret Riesen, Jere Taaffe, and Carol Yanko. We are very proud of Lynn Stillson who was elected varsity cheerleader.

We extend our thanks to our class advisers, Mrs. Fabis and Mr. Smith, for their cooperation in making our dances and concessions at games a success.

These things, along with many others, have made our Sophomore year one which we will always remember.

We "Freshies" are just loads of fun,
 Come on and see just what we've done.

September. We all came in, took our places at battle-scarred desks, among many new faces.

October. The football season was well under way. With many brave Freshmen out to play.

November. So far this season, the team has done well. And Sue and Janet's cheering has really been swell.

December. In basketball we surely did fine. With Mary, Sally and Alison boosting all the time.

January. Well, we're back from our vacation, a fine one, by gosh! And at last we've become used to the fact we are "frosh."

February. In orchestra, chorus and also band. We freshmen were there to lend a hand.

March. The end was in sight, we could not slip back. And our boys were real anxious to start on the track.

April. Sees all, knows all, Judy C. Wrote lots of things 'bout you and me.

May. It's really over; this is the last. Boy! Didn't our Freshman year go fast?

President	Lynette Chinowth
Vice President	Ray Moore
Secretary-Treasurer	Jean Elliott
Council Representative	John Murine

Here we are at the end of another school year. Let's look back at the happenings of 1952-53.

One of the first things we did in the fall was to elect a student council representative. John Waller was chosen. The Junior High had a football team in which many of the boys participated. We want to congratulate Larry Burkert, Jim Ekensten, Robert Allen, Jim Hunneke, and Charles Jones for the fine job they did during the basketball season. The Junior High elected three cheerleaders. Two were from the eighth grade. They were Arlene Louttit and Virginia Casto. In the spring of "53" we had a few boys go out for track.

Beverly Zelinka represented us on the Seminarian and we had a number of people on the library staff, in the band, and in the orchestra.

With all this talent and initiative, we're sure to make a success as Freshmen.

We, the class of '58, weathered the change. Our first year at Seminary has brought us many new and strange experiences.

We give our thanks to the older students and faculty that helped us get acquainted with the wonders of this new school life.

We are proud of our accomplishments in this first year. Our student council representative was Douglas Hill, who did a fine job. We were well represented in the school band and orchestra, and also had some girls on the library staff. Ann Gould was our class reporter for the *Seminarian*. Our boys did very well in football, basketball, and track. They were supported by a fine class cheer leader, "Sugar" Smolanovich.

We are looking forward with enthusiasm to the fun and knowledge that each new year will bring to the Class of 1958.

This year the Seminarian was edited under the capable leadership of Sarah Jane Carty. Her associate co-editors were Shirley Stiver and Dolores Buddie.

Throughout the year many new features have been added to the paper. We experimented with cartoons, and added the honor roll.

We wish to thank the Senior commercial class for their superb typing and mimeographing, which made the paper clearer and more legible.

Many thanks, also, go to our advisers, Miss Johnson and Mrs. Ritz, for their helpful guidance in the past year.

Here's hoping next year's staff an even more successful Seminarian.

As the year draws to a close we look back on all the wonderful times we've had in band.

This year's band had the privilege of being the first to use the new music room and with some new instruments, we'll have an even better band next year.

We started the year by playing for all the home football games. Our drum major and majorettes were very colorful in their formations.

Our annual Spring Concert was held March 13, and we wound up the year with our traditional Senior Assembly and Memorial Day Parade.

To the Seniors and to Mr. Lehto we wish the best of luck in the future.

Enthusiasm over the new music room, and fine directing of our leader, Mr. Lehto, has led to a marked improvement in the orchestra this year.

The members of the orchestra worked hard and had a great deal of fun in practicing for their various programs.

Our orchestra played successfully for both the Junior and Senior plays by providing well chosen selections between the acts of each play.

Poland's annual P. T. A. Christmas Party was a great success. Besides their traditional Christmas carols, our orchestra furnished music for a student production, "Santa Claus is Coming to Town."

The big event for the orchestra this year was their part in the Spring Music Festival. Mr. Lehto directed us in a highly entertaining program.

Our last engagement of the school year was Commencement. We would like to thank the Seniors who participated in the orchestra this year, and to wish them "good luck."

This year, as a result of dropping the Girls' Glee Club, there was only one chorus.

We began our activities in December by presenting, along with the Sixth Grade Chorus, the music for the annual P. T. A. Christmas Party.

In April we gave our annual Spring Concert. We sang many new songs, but we also sang a few selections which we had sung before. The Concert, which was enjoyed by all, was a great success.

In May, eighty chorus members went to Westminster College to present a chapel program. Some of the student members of the college showed us around the campus before lunch.

We wish to thank Mrs. Norman Parr, our director, who was very patient and understanding, for making this year an exceptionally fine one for all of us.

If we could learn to know,
 To know and understand,
 Ourselves and others,
 What we do and why!

That's what the aim of our Y-Teen Club has been this year — to know and understand ourselves and our associates. Last Sep—we decided that we could promote better understanding between the older and younger girls of the school by getting to know each other better, so now each Y-Teen has a seventh grade girl as her little sister. We've tried to make the girls feel more at home here at Poland High. We hope they always feel free to come to us with their problems.

Last fall, immediately preceding our recognition service, we had a casserole dinner for all the Y-Teens and their mothers. Some of the girls put on a skit entitled "Meeting at Four," displaying fine acting ability. This spring we had our annual Sophomore Tea and Command Performance and the climax of our eventful year was the banquet and installation service in May.

In addition to the meeting at which some of lucky cabinet members described their experiences at Camp Ticonderoga and Ann Weese told a bout the club presidents' conference at Ohio Wesleyan, the girls will always remember the meetings about beauty and fashions, boy-girl relations, the way to check rumors, and careers for women.

Many of our club members took their best beaus to the annual Touch-down Toddle at the Elm's and the Spring Formal at Idora, which were for all the Y-Teens of the Youngstown district. A new district activity which Poland Y-Teens participated in and set an enviable record at was the Y-Teen Basketball League. Congratulations, girls!!

Belonging to Y-Teens truly helps one to know and understand herself and others. It's a wonderful experience — one that no girl should miss.

The officers for the year 1952-53 were: President, Ann Weese; Vice-president, Joan Sicafuse; Secretary, Helena McGarry; Treasurer, Judy Stanfar; Inter-Club Council Representative, Dot Snitzer.

The Hi-Y Club of 1953 has been directed by the following officers who were elected at the end of the 1952 term:

President	Bill Philpott
Vice-President	Dean Worsencroft
Secretary-Treasurer	Stewart Williams
Chaplain	Bill Nelson

Many interesting activities have taken place during this season, including basketball, softball, swimming, and the showing of movies.

The Hi-Y basketball team is to be congratulated on a very impressive record which they established in the city-wide league at the Y. M. C. A. The team defeated Wilson, East, Campbell, South No. 2, Boardman, and Girard, while losing only to South's No. 1 team.

The annual Hi-Y Civic Day, which was held on March 10, 1953, was well represented by five seniors who had a very educational and interesting day.

The picnic which was held in Mill Creek Park, was a fitting finish to a very successful year. We wish to express our appreciation to Mr. Roberts, our adviser, and we hope that the Hi-Y clubs in the years to follow have as much success as the Hi-Y of 1953.

This year's Student Council has tried to meet all the requirements of a good Student Government. As in the past the Student Council was in charge of the management of concessions for basketball and football games and of the distribution of youth nights and dances. We bought a new picture and a new flag for the hall and new records for morning announcements. Probably the biggest event of the year was the changing of the school ring, which the Student Council supervised.

The officers for this year's Student Council were Fred Lyons, President; Dean Worsencroft, Vice-President; Dolores Buddie, Secretary; Susan Dearing, Treasurer; and Dan Smolanovich, Sergeant-at-Arms.

The Student Council of 1952-1953 extends its thanks to the student body and faculty for their splendid cooperation during the past year.

Our library which brings to us much joy,
 Is used quite often by each girl and boy.
 The reference books are grand; just take a look—
 There's Americana, Compton's, and the World Book.
 There are books of quotations, poetry, or rhymes;
 And books on many notables of old and new times.
 Atlases and Year Books, to mention just a few.
 Magazines for everyone—several which are new;
 Some for boys and some for girls on all they may desire
 On cooking or on carpentry or how to mend a tire.
 The New York Times, Plain Dealer, and the Boardman News,
 Tell of the latest happenings with a manifold of views.
 We've fiction books to pass the time
 On everything—Romance to Crime.
 The non-fiction books are anything but "dead."
 More outlandish than anything you've read!
 To catch the eye we have displays
 With special ones for holidays.
 The vertical file, used much indeed,
 Has information—all you need.
 The pocketbooks—they're new this year—
 Have stories on dogs or on mountaineers.
 The staff who loan the books to us
 From the student body number forty plus.
 And last of all a wish to you,
 "Hope you enjoyed the library the whole year through."

The Poland Bulldogs' first year in the Tri-County League was a very successful one with five wins, three losses, and one tie.

The team hit a new school scoring record with a total of 159 points for the season. Tom and Dan Smolanovich led the team in scoring with 75 and 60 points, respectively.

The Bulldogs were fortunate to have five players rated on the All Tri-County Team. Nick Capezutti and Dan Smolanovich were chosen on the first string, Tom Smolanovich on the second, and "Stub" Miller and Bruce Kagarise made honorable mention.

The football squad would like to thank the coaches, Mr. McKee and Mr. Evans; the Boosters' Club; and the students for their support throughout the season.

Second Row: J. Pompeil, manager; D. Worsencroft, W. Roof, T. Smolanovich, J. Bolander, Mr. McKee, coach.

The Poland Varsity, with an 8-13 won-lost record, was a remarkable scoring machine during the 1952-53 campaign. With their machine in high gear they made their debut in Tri-County League play by defeating a previously unbeaten Minerva quintet. For the second season in Tri-County competition they posted an amazing record.

The team was led through the '52-'53 season by their honorary captain, Tom Smolanovich, who set a school individual scoring record of 512 points in a season; in doing this he averaged 24.4 points a game. He also set a record for the most points scored in one game by posting 44 tallies. The team broke two other records. One was by scoring 1302 points in one season and the other was by defeating Leetonia 89 to 70 to set a record for most points scored in a game. Playing their last season for the Bulldogs were lettermen Fred Lyons, Daniel Smolanovich, Melvin Worsencroft, Stewart Williams, and Bill Simon. Also earning their letters this year were Tom Smolanovich and Jon Bolander.

Congratulations to the team and Coach McKee on a fine season and best of luck in the 53-54 campaign.

Third Row: D. Smolanovich, R. Moore, W. Roof, S. Williams, R. Hill, F. Lyons.

Fourth Row: G. Murberger, D. Krake, J. Keltz, W. Fain, T. Southwell, R. Martin, W. Hale, R. Moore, J. Reed.

With Poland's first season in class A track well under way we find thirty-five boys on the track team. These include the following returning letter men: Stew Williams, Fred Lyons, Chuck Gould, Dan Smolanovich, Tom Smolanovich, Ron Gillen, Ed Crites, Dean Worsencroft, Don Peacock, and Bill Simon.

Thus far Poland has defeated Columbiana, North, and Ursuline in individual meets. Poland captured third at the Mentor Relays which was an achievement for the local thinclads because of the stiffened competition of class A track. Poland became champions of the "A" division of the county meet, scoring 96½ points to win. The district and state meets remain on the schedule.

The Track Team

First Row: J. Bishop, P. Smolanovich, P. Roman, D. Mansell, T. Ludt, C. DiIanni.

Second Row: H. Keller, manager; J. Justice, C. Fox, J. Gutknecht, F. Hanson, Mr. Paris, coach.

The Reserve Basketball team under the able coaching of Mr. Paris, had a very successful season, winning twelve games and losing only eight.

The team broke several records this year. The most important were:

1. Most points scored in a single game (57).
2. Most points scored in one season (829).
3. Most points scored by an individual in a single game (25 by Peter Roman).
4. Most points scored by an individual in one season (155 by Bill Roof).
5. Best win-loss record in a season (12-8).

Dick Mansell won the foul shooting contest with 23 out of 25 fouls. Dean Worsencroft was elected honorary captain for the season.

The team wishes to thank Mr. Paris for the excellent help he gave them during the 1952-53 season and to wish him luck in the future.

This year Poland was well represented in the District Scholarship tests at Mount Union College by the following students: English XII, Ann Weese and Nancy Evans; Senior Social Studies, Sarah Jane Carty and Robert Yanko; French II, Judy Stanfar and Joan Sicafuse; Physics, Edward Geddes and Charles Gould; Chemistry, Sandra Malone and Kenneth Saunders; Algebra II, William Moorhead and John Pompeii; English XI, Helena McGarry and Nancy Stacy; American History, Conner White and John Bayer; Latin II, Linda Leach and Gail Sicafuse; Plane Geometry, Philip Osborn and Caroline Rodder; English X, Carol Rolland and Lynne Stillson; World History, Lorene Oswald and Susan Baxter; English IX, Rosemarie Stanislaw and Kathryn Struble; Algebra I, Ralph Martin and David Galacia; Biology, Robert Lysowski and Janice Klesch.

Students taking these tests must have placed either first or second in the preliminary tests that were held at the high school early in April.

The results of the tests from the Kent State District Division II are as follows: Chemistry, Kenneth Saunders 7th and Sandra Malone 12th; Physics, Edward Geddes 1st and Charles Gould 2nd; Plane Geometry, Philip Osborn 12th; American History, Conner White 19th; World History, Susan Baxter, honorable mention; Senior Social Studies, Sarah Jane Carty 10th; English X, Carol Rolland 1st; French II, Judy Stanfar 2nd and Joan Sicafuse 5th; Algebra II, William Moorehead 16th.

Poland had five students who placed in the Kent State District regardless of classification. They are: Physics, Edward Geddes 7th and Charles Gould 9th; French II, Judy Stanfar 2nd and Joan Sicafuse 9th; English X, Carol Rolland 3rd. As this article goes to press the final results from the state have not been announced.

Out of 905 students taking the 8th Grade State Tests in Mahoning County, Poland had three students who placed in the top ten. Ann McCusky placed first, John Waller tied for 5th, and David Withers was 7th.

The Academic Contests

On May 27, 1953, the Senior Class presented a delightful three-act comedy-fantasy, "Down to Earth."

A prologue started the play on its merry way with two angels (Ann Weese and Ray Unger) descending to earth to pick up a couple of elderly souls, Augusta Applegate (Jane Hill), a wealthy and sarcastic spinster, and Herman Howell (Don Bergman), a kindly, retired sailor. However, their mission is complicated when a mischievous would-be angel, Pilone by name (Bob Yanko), joins them in a kind of a heavenly hitch-hike. When the angels get to earth they find that Herman is ready to go; but Augusta, who has spent a lifetime accumulating her wealth, definitely does not want to part with it.

Augusta's two nieces, Orpha (Sue Lovell) and Millie (Susan Dearing), are vainly trying to interest "Aunt Gus," as they affectionately call Augusta, in giving her money to them. Orpha is a social climber with mercenary ideas of a marriage for her daughter, Ruthie (Joann Coloutes), to a rich hypochondriac (Fred Elder). Millie has an inventor-husband (Bill Philpott) and a daughter, June (Judy Thomas), who is engaged to marry handsome Richard White (Chuck Gould). And we can't forget Diana (Judy McFarlin), Augusta's frustrated maid, who has just been jilted for the eleventh time.

Pilone soon finds that he can make two people fall in love, simply by a kiss, therefore completely influencing the romances, finances, and fates of Augusta, her relatives, her maid, and Herman Howell. In fact, he gets into so much mischief that it looks as if the angels might be stranded on earth—the worst fate that could befall any heavenly soul. But when Pilone kisses Augusta and Herman, making them fall in love with each other, he really puts himself and the two angels on a spot. Augusta and Herman take a stronger grip on life, thus leaving Agnes and Wilfred (the two angels), earth-bound unless and until they can find two souls who are willing to "go."

Diana, the maid, suddenly and dramatically qualifies as an angel. Pilone, who has fallen in love with Diana, comes to a very important decision—that of taking on a full-fledged angelhood so as always to be near Diana. He is rewarded with his other wing; and the final curtain closes on four happy angels, concentrating with all their might on beginning their ascent back to heaven.

The Senior Class joins the play cast in extending its sincere appreciation to Miss Johnson, the director of "Down to Earth." It has been our privilege to join with past classes in benefiting from her interest, enthusiasm, patience, and hard work.

As the curtain parted for the first act of "Double Trouble", we of the cast knew our weeks of practice were worth the work we put into it. The action of the play was centered around a play within a play. The scene was the living-room of the apartment occupied by three girls, Glad, Helen, and Sandra. The girls were being coached for a play by Mrs. Smith. A discussion of the play leads the girls to find out how a real hero would react to a girl screaming after having been attacked by a burglar. Out to the street they go and their cries for help bring Lance Davis and Bruce McFarlin to the rescue. The girls tell a wild tale about a burglar in their apartment and their lies get them more involved as the action goes on. With the maid, Mae, and her boyfriend, Duke, the plot thickens. Glad's aunt and her sister, Pert, arrive at a most inopportune time. Lord Delamater is mistaken for the burglar and has a very rough evening. The members of the cast were wonderful. They were:

Sandra Soon	Helena McGarry
Helen Wintergreen	Helen Schwartz

Congratulations, Classes of 1953!

This is an inaugural year! Our own land begins a new presidential era. England assumes a new ruler. And YOU open the page to a new and exciting chapter in your own life's story!

But stop for a moment before you begin! Check your equipment and understand your best dreams. Then take to the path that leads to success with confidence. There will be disappointments, of course . . . when your goal seems far off and the course rugged. But remember that many have vested their hopes in you . . . just as America looks to Ike, as England is revived by the wholesomeness of Elizabeth. And so it is YOUR year of commencement . . . YOUR moment of challenge . . . YOUR year of inauguration! Add our name to your list of friends who are certain that you will reach the high pinnacle of joy and success.
